We finally got off the mark with our first away point at Walsall even though we had one or two anxious moments before the final whistle.

I was particularly pleased for Steve Elliott who got on the scoresheet against his old team in his comeback game after suspension. But at the end of the day we had to thank Mike Salmon, who pulled off his second penalty save in five matches from the very last kick of the game, for the point.

"I don't know whether the fans thought a re-run of the game might alter the result in our favour but over 300

Phil Neal Notebook

turned up in the Executive Club on Monday night to re-live the game on the big screen. And the biggest cheer of the night went up when Mike's penalty save was screened.

The more I see of Bolton supporters the more I marvel at their commitment to the team. I doubt whether any other Club in our position in the League could attract such large numbers to watch a video film of a game that most of them probably attended anyway 48 hours earlier.

I applaud you all.

In the dressing room things are looking a lot brighter with a full squad of first team players available for selection for the first time this season.

Derek Scott is well on the way in his comeback and has played a couple of games in the Reserves without any reaction to his broken ribs and punctured lung. Scottie's determination has helped him get back on the field several weeks ahead of schedule and his experience will be of enormous benefit to the youngsters currently in the team.

Tonight's game against Blackpool will bring a lot of memories flooding back for older Wanderers' supporters. The Seasiders have figured in some great matches at Burnden in the past but my thoughts go back to Boxing Day last year when a very late Blackpool equaliser at Bloomfield Road robbed us of a win in my second game in charge. The return match, over Easter, at Burnden was played in a snowstorm and marked the League debut of Julian Darby.

What memories will tonight's encounter conjure up in twelve months time I wonder.

SPORTSMAN'S DINNERS ATTRACT THE CROWDS

The rush is on to reserve tables at the Sportsman's Dinners organised in the Executive Club by Nat Lofthouse.

Already the December event is a complete sell out with sports fans snapping up the tickets to hear guest speaker Alex Murphy and comedian Ivor Davis.

Bookings are now being taken for the February 16th Dinner which features the hilarious air traffic controller David Gunson along with the equally funny Ven Tracy providing further entertainment.

Tickets for all Burnden Sportsmen's Dinners are just £13 or £130 for a table of ten people.

STOCK UP FOR CHRISTMAS

The Wanderers have introduced a new Christmas Cash lottery ticket with prizes of bottles of wine to be won in addition to regular cash prizes.

BLACKPOOL POISED FOR NEXT STEP

by Tony Pullein

Blackpool are ideally placed to complete the second phase in their recovery programme this season. After becoming the first team to defeat Middlesbrough in the League this season, they moved into second place in the table some ten days ago.

Now the club that dropped from the First to the

Fourth division — and which, in 1983, suffered the indignity of being forced to apply for re-election — is hoping to return to Second Division football next season.

The Tangerines are still unbeaten away from home in the Third Division, having won at Fulham (1-0), Swindon (6-2) and Middlesbrough (3-1) and drawn at Doncaster (2-2) and Bristol Rovers (2-2).

They were surprisingly knocked out of the Littlewoods Cup in the first round by Fourth Division Preston. After being held to a goalless draw in their home-leg, they went down 1-2 at Deepdale.

It was in 1985 when Blackpool took runners-up place in Division Four and took their first step back. Last season they held their own in the middle of the Third Division and now they are hoping to maintain their impressive early-season form so that further promotion can be achieved.

Older fans still recall the glorious days of the early post war years when Blackpool were one of the most successful clubs in the country.

They reached Wembley three times in five years and, after losing to Manchester United in 1948 and Newcastle in 1951, they returned to face us in the 1953 final.

Tagged the "Stanley Matthews final", Blackpool looked well beaten when they trailed 1-3 at one stage. Then the Wanderers, with a man injured in those pre-substitute days, started to struggle and Blackpool recovered to win 4-3 with Matthews creating the winning goal in the last minute.

Back Row (Left to Right): A. Dyer, K. Stonehouse, N. Law, C. Methven, C. Greenall (now Gillingham), B. Thomson, S. Morgan.
Middle Row (Left to Right): P. Stewart, D. Moore, B. Siddall, P. Harrington, W. O'Rourke, R. Sendall, P. McGinley
Front Row (Left to Right): K. Taylor, M. Davies, E. O'Keefe (retired), M. Walsh (Captain), J. Deary, B. Butler, N. Matthews.

The club was formed in 1887 and they entered the Second Division of the Football League in 1896. Though they were voted out three years later, they returned in 1900 and have since been holding their place.

Blackpool spent many years hopping between the top two divisions but it was in the years immediately after the second world war that they enjoyed their greatest successes. In addition to their F.A. Cup exploits, the Tangerines finished third in Division One in 1951 and three years later achieved their best-ever position of runners-up.

The abolition of the maximum wage really marked the end of Blackpool's era of success. They could no longer attract the best players and in 1967 they lost their First Division place. They did return for one solitary campaign at the top but the real rot started to set in during the late 'seventies.

In 1978 they found themselves in the Third Division for the first time. Three years later they dropped into Division Four.

Now, happily, Blackpool are heading back to the top.

THE BLACKPOOL SQUAD:

SAM ELLIS (Manager). Mr Ellis took over as Blackpool's manager in June 1982 and in three years he lifted them out of the Fourth Division on the first step of their climb back to respectability. During his playing days he was a defender, starting his career with Sheffield Wednesday. He was capped three times by the England under-23s and in 1971 he moved on to Mansfield Town. Lincoln signed him in 1973 and he made almost 200 first-team games for them before transferring to Watford in 1977. He played on for two more seasons and then joined the club's coaching staff, remaining in that capacity until getting his managerial chance with Blackpool.

BARRY SIDDALL (Defender). Barry started his career at Burnden Park, winning England youth honours. He made his debut for the Wanderers at Walsall in October 1972 and completed almost 150 League games before moving on to Sunderland in 1976. In 1980/81 he spent a loan period with Darlington and in 1982 he was signed by Port Vale. He made the short move to Stoke in 1985 and last season he moved on to Manchester City. Blackpool signed him this summer.

MIKE DAVIES (Defender). Mike served his apprenticeship at Bloomfield Road and made his League debut during 1983/84. He won a regular place last season.

NICKY LAW (Defender). Nicky completed his apprenticeship with Arsenal but didn't get into their League team. He made his breakthrough in 1981 after joining Barnsley and he made more than 100 League appearances for the Tykes before moving on to Blackpool at the beginning of last season.

COLIN METHVEN (Defender). Colin was signed from Wigan for £25,000 this summer. He commenced his professional career with East Fife, becoming a regular member of their Scottish League

side for four years. Wigan invested a club record £30,000 fee when signing him in 1979 and he remained a fixture in the middle of their defence until his latest move.

MICK WALSH (Defender). Another member of the Blackpool side who started his career with the Wanderers, Mick made his League debut for us in 1974/75 and made well over 150 appearances before moving on to Everton in 1981. At Goodison Park he won the first of his five Republic of Ireland caps. During 1982/83 he spent loan periods with Norwich and Burnley and he then signed for Fort Lauderdale in the USA. Manchester City signed him in 1983 but he stayed at Maine Road for only a short period before moving on to Blackpool.

BRIAN BUTLER (Midfield). Brian is a former Blackpool apprentice who was drafted into the senior side last season.

JOHN DEARY (Midfield). John is another apprentice. He played his first League games during 1980/81 and in 1984/85 was the club's top scorer with 15 goals.

ALEX DYER (Midfield). Alex spent his apprenticeship with Watford but was unable to get into their first-team. After joining Blackpool, he made his League debut in 1984 and has been a regular member of the squad for well over two years.

MARK TAYLOR (Midfield). Mark was discovered in local football by Hartlepool and he won an immediate place in their senior side following his debut in 1984. Last season he spent a short while on loan to Crewe and Blackpool signed him in the close-season.

BOBBY THOMSON (Forward). Bobby was signed from Hibernian last season. A much-travelled character, he began his career with St Johnstone, completing more than 100 Scottish League games before moving on to Morton in 1978. Middlesbrough signed him for £175,000 in 1981 but he didn't settle at Ayresome Park so he returned to Scotland with Hibernian. He re-joined Morton later and then returned for another spell with Hibernian prior to his latest move towards the end of last season.

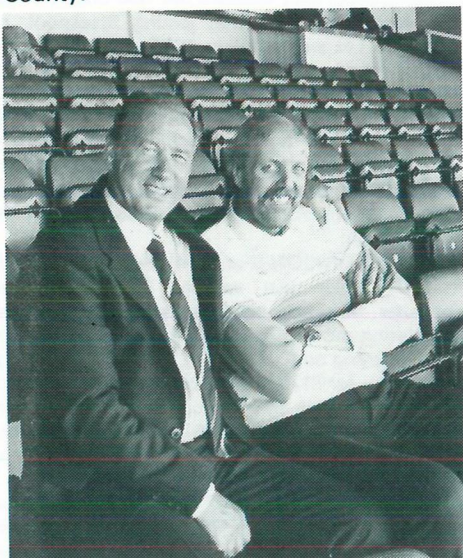

ALAN MAYES (Forward). Alan joined Blackpool on loan from Carlisle a few weeks ago. He was originally a reserve player with Q.P.R. and started his League career with Watford in 1974. Swindon signed him in 1978 and in 1979/80 he scored 28 goals for the Robins. Chelsea invested £200,000 in his transfer in 1981 but he returned to Swindon two years later to lead their scoring list with 17 in 1983/84. Carlisle signed him at the start of last season and he also served Newport on loan last term.

PAUL STEWART (Forward). Paul is a former Blackpool apprentice and an England youth international. He made his League debut for the Tangerines in 1981/82 and two seasons later was top scorer with 12 goals. He is currently one of the club's leading scorers, with five goals before last weekend.

JUST THE TONIC

Just the tonic... Anthony Hoole, aged 41, of Ashworth Lane, Astley Bridge, Bolton, has been a Wanderers fan for 25 years. After a two year illness he was given the VIP treatment for the home match against Notts County.

He is pictured with Nat Lofthouse, taking his seat in the Manchester Road stand.

STAN'S THE MAN

Stan Hanson, the Wanderers goalkeeper for some 20 years either side of the Second World War, retired recently after a 50 year association with the Club.

During his playing career Stan won F.A. representative honours and was our goalkeeper in the 1953 Final against tonight's visitors, Blackpool.

For many years he kept the Post Office opposite the ground and devoted hours and hours each week looking after the 'A' team in the Lancashire League.

He was presented with a set of cut crystal glasses by Nat Lofthouse on the pitch before the Notts County game.

Nat Lofthouse hands over the Club's retirement gift to Stan who was accompanied by his wife, May.

VIDEO NIGHT

The screening of the Away Day Video against Rotherham will take place tomorrow night in the Executive Club at 8.00 p.m. Doors will open at 7.00 p.m.

A special screening will take place for under 18's in the Cocktail Lounge and this starts at 7.30 p.m. Again doors open 7.00 p.m. Admission is free for Lifeline members and Junior Whites with a nominal 20p charge to non members.

ASA'S FIFTY

Wanderers captain Asa Hartford clocked up his 50th League game in a Wanderers shirt in last weeks' draw at Walsall. He has found the net on five occasions in those games, all being recorded last term. Perhaps Asa could celebrate his birthday, which is next Friday, by opening his account for this season. The one he got against Notts County doesn't count!

It was good to see Steve Elliott edge nearer his 100th League goal by scoring against his old club at Fellows Park. It looks like we could have an interesting race for leading goalscorer with Steve level on four goals with Tony Caldwell.

Flashback

PAST ENCOUNTERS

We welcome Lancashire rivals Blackpool to Burnden Park tonight for the 77th Football League game between the clubs. The Wanderers have the better record to date although the Seaside's record at Burnden in recent history is good.

Since the last First Division encounter at Burnden, which ended 1-1, in October 1963, Blackpool have visited on nine occasions and have lost only twice, each time by the odd goal. The Wanderers record at Bloomfield Road during the same period is slightly better with only three defeats in nine games.

This is in complete contrast to the early League games between the clubs, which saw the Wanderers undefeated by Blackpool until the 11th encounter. The Wanderers did even better at Blackpool, where they didn't lose between October 1903 and April 1948, a period of 13 games. Incredibly they then lost on their five visits without scoring a goal.

Last season it was Blackpool who came out on top over the two games. At Blackpool on Boxing Day, David Cross scored his third goal in six days, to put Bolton one up in the 61st minute. Unfortunately for Bolton, Paul Stewart rescued Blackpool with an equaliser a minute from time, converting a simple chance from no more than a yard from goal.

At Burnden, Blackpool took the points with a 3-1 win, all the goals coming during the second half of the Easter Monday game. Bobby Thomson fired the visitors in front in the 48th minute but within five minutes the Wanderers had equalised through Steve Thompson. Three minutes from time Paul Stewart put Blackpool back in front and a minute later Eamonn O'Keefe grabbed a third to settle the issue. Two Wanderers players made their debut in that game, Julian Darby at right back and Mike Ring, who came on as a second half substitute and who is now at Aldershot.

Our League record against Blackpool is as follows:

	PL	W	D	L	F	A
HOME	38	20	7	11	63	40
AWAY	38	11	13	14	46	51
TOTAL	76	31	20	25	109	91

15 YEARS AGO

9th October 1971. The Wanderers kept up their unbeaten away record by coming from behind to draw 1-1 at Port Vale. Peter Nicholson equalised a Brian Horton penalty for the home side.

13th October 1971. Plymouth defeat Bolton 2-0 at Home Park with their first goal coming off the head of Warwick Rimmer four minutes from half time. Don Hutchins scores their second on the hour and Rimmer gets booked for the fourth time this season. Gareth Williams joins Bury for £5,000.

16th October 1971. John Byrom and John Ritson, with his first penalty goal for the club, are on the mark to give Bolton a 2-1 home win over Oldham. Ian Seddon becomes the 17th Wanderers booking of the season.

10 YEARS AGO

16th October 1976. A Paul Jones penalty after 51 minutes gave Bolton the points against Bristol Rovers at Burnden. This ended a run of four League games without a win and kept the Wanderers in fourth place in the Second Division, four points behind leaders, Chelsea.

18th October 1976. Bolton defeated Fulham 2-1 at Birmingham in a League Cup third round second replay. Bolton in fact scored all the goals, Paul Jones headed them in front after 65 minutes, Peter Nicholson put through his own net ten minutes later and Neil Whatmore grabbed the winner eight minutes from time.

5 YEARS AGO

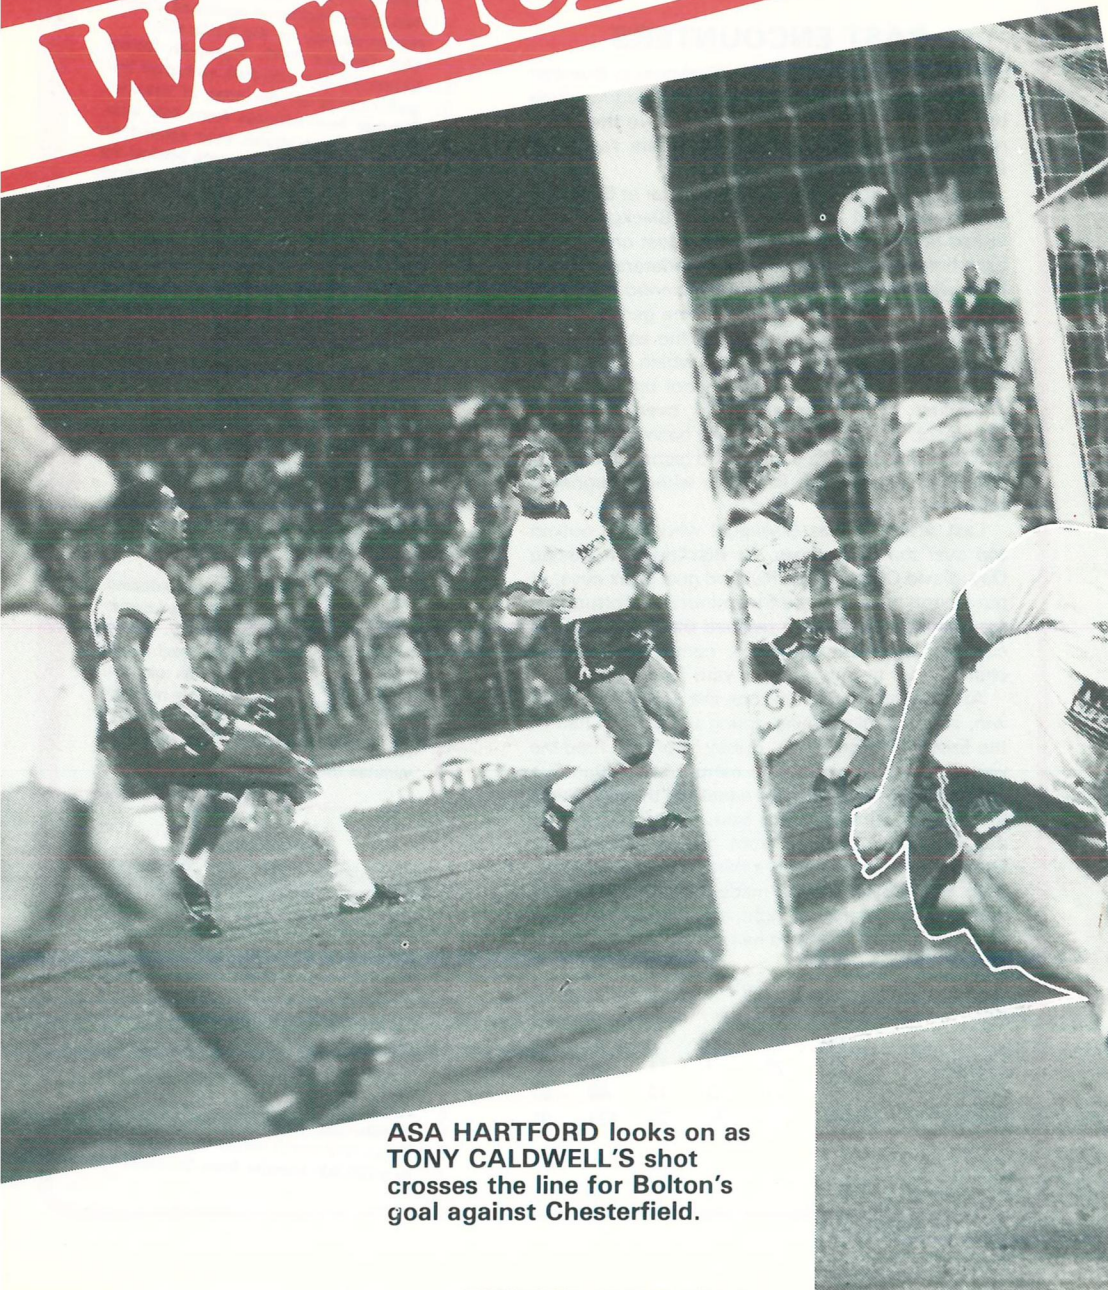

17th October 1981. The Wanderers went down to their third defeat in a row with fellow strugglers Cardiff City winning 2-1 at Ninian Park. Gary Stevens and Dave Bennett had put the Welshmen in the driving seat with goals in the 51st and 54th minutes. Len Cantello reduced the arrears in the 77th minute but Cardiff held on for victory. Trevor Hebbard returned to Southampton after his loan period and striker Mike Carter was placed on the transfer list. Former England full back Steve Whitworth joined the Wanderers in a £25,000 transfer from Sunderland.

Postie's Page

This is the column reserved for your comments, suggestions or criticisms.

If you have anything to say about any aspect of Bolton Wanderers or football in general write to Postie's Page, Bolton Wanderers F.C., Burnden Park, Bolton.

Dear Postie,

As two Notts County supporters we would like to thank the Bolton fans for their hospitality when we visited Burnden Park.

After venturing into a partisan pub before the match we were genuinely cheered by the friendliness of the fans, especially after the Wanderers help with our Lifeline scheme. Even the police had a friendly word as we went through the turnstiles.

Good luck for the rest of the season, Colin Higgins and Andy Martin Nottingham.

Dear Postie,

Congratulations on the new look programme. With the help of TR85 I plan to set up a Pen Pal Service to bring fans of different clubs into contact.

I hope this service will help people understand that rival fans can hold different views without having to fight over it.

A stamped addressed envelope to me at the address below will bring a list of names and addresses for Bolton fans to write to.

Your faithfully,
Norman Maginn

Well done everybody who helped entertain Notts County Juniors at the last home game. We've had a letter from Nottingham saying what a great day they had, especially the fish and chips at Mother Hubbards.

The next meeting of the HB Junior Whites takes place on Monday 10th November at 6.30 p.m. in the Executive Club.

Tonight's mascot is Matthew Bowman of Limefield Road, Smithills. Matthew is 8 years old and attends Smithills Dean Primary School for whom he plays in the football team at centre forward.

Reserve Report

1st October 1986

York City Reserves 0

Bolton Wanderers Reserves 2

The Wanderers reserves produced a stirring second half performance to come away from Bootham Crescent with their first away victory of the season.

Chris Banks almost gave Bolton a dream start with a shot from twenty yards nearly catching out City keeper Neil Smallwood. Martin Rushmore, playing his first game for the Wanderers Reserves, caused havoc in the York penalty area and was unlucky on three occasions not to open the scoring.

Bolton finally took the lead that they deserved in the 70th minute. Jon Senior put Chris Banks away with a brilliant pass from inside his own half and the youngster confidently moved forward and shot low into the bottom corner.

Ian Callaghan headed home Bolton's second goal in the final minute after Peter Bell had beaten two City defenders at a short corner.

Team: Mailey, Higgins, Phillips, Callaghan, Sutton, Rushmore, Banks, Bell, Griffin, Senior, Aspinall. Subs: Booth, O'Brien.

8th October 1986

Bolton Wanderers Reserves 2

Notts County Reserves 2

The Wanderers Reserves came from behind to take a well deserved point against lowly Notts County at Burnden.

Bolton had a strong side out with Mark Gavin and Steve Elliott returning after suspension. The Wanderers led 1-0 at half time thanks to a spectacular close range volley from Paul Griffin who had switched roles from his usual forward position to centre half.

County hit back and took the lead with long range efforts from Smalley in the 54th minute and Binch four minutes later.

Chris Banks got the final touch to Bolton's equaliser in the 69th minute when

he beat off the challenge of Atkin, to see the ball wrong foot Chrichton in the County goal and roll gently over the line.

Team: Mailey, Hughes, Mullineux, Banks, Rushmore, Griffin, Higgins, Gavin, Bell, Senior, Elliott. Subs: Allen for Bell (80th minute).
